

# Inside

Welcome to Rewired. This is not a tech guide to implement AI, rather it's a call to action, fueled by the Future of Leadership Salon conclusions to explore a journey into Evolutionary Leadership for those who are not just driven by profit but rather impact for next generations.

## 01

### INTRODUCTION

Learn what this book is and isn't and make it yours on the journey ahead, just as we did at the Think-Tank Future of Leadership Salon.

## 03

### INNER EVOLUTION

It's time to change the narrative around speed: transaction does not equal transformation for courageous bridge builders.

## 05

### LANDSCAPE MAP

Some compositions are new, others evergreen. Each one is designed to inspire and support your leadership journey with practical models and tips.

## 07

### CONCLUSION

Where is the gravity of money leading us and how do we steer into a direction worth living?

## 02

### FULL SPECTRUM RESET

We're not just facing disruption, we're living a full-spectrum reset where Chief Evolutionary Officers role model a new operating system.

## 04

### TOTAL INTELLIGENCE

As technology evolves beyond imagination, our task is to accelerate as humans by tapping into our full potential with Meta'Q.

## 06

### VOICES FROM THE EDGE

Features from 21 global thinkers who challenge our perspectives and widen our horizon on the quest of leadership in the AI era.

## 08

### THE NEXT INVITATION

The real work begins now. Not in the models, but in you and all of us. Today leadership is a pilgrimage.

The Future  
of Leadership  
(in the Age of AI)
